Contribution to the New Haven Food Pantry

This April 24th marks the 100th Anniversary of the Armenian Genocide.

More than 1.5 million Christian Armenians were driven out of their historic homeland, and were brutally massacred by the Ottoman Turkish government between 1915- 1923.

The Armenian community of Kansas City is donating food items, to the New Haven Food Pantry, in appreciation to all the humanitarian relief organizations, which saved the lives of the genocide survivors and fed the orphans at those crucial years.

At the Centennial of this unforgettable event, the Armenians want to give back to those who are in need in our own community.

Please, accept this humble gesture from the Kansas City Armenian community.

With Christian Love
